For the Shareholders of Text S.A.

## *Opinion*

We have audited the interim condensed financial statements of Text Spółka Akcyjna (the Company) with its registered office in Wrocław, Zwycięska 47, which comprise the introduction to the interim condensed financial statements, balance sheet as of September 30, 2023, the profit and loss account, statement of changes in equity, cash flow statement for the period from April 1, 2023 to September 30, 2023 and additional notes and explanations.

In our opinion the accompanying interim condensed financial statements have been prepared, in all material respects, in accordance with the Accounting Act of September 29, 1994 (uniform text: Journal of Laws of 2023, item 120, as amended) (the Accounting Act) and adopted accounting principles (policy) and in the form prescribed by the provisions of the Ordinance of the Minister of Finance dated March 29, 2018 on current and periodic information provided by issuers of securities and conditions for recognizing as equivalent information required by the laws of a non-member state (Journal of Laws of 2018, item 757) (Ordinance on current and periodic information).

## *Basis for Opinion*

We conducted our audit in accordance with

- the Act of May 11, 2017 on statutory auditors, audit firms, and public supervision (uniform text: Journal of Laws of 2023, item 1015) (the Act on Statutory Auditors) and
- International Standards on Auditing adopted as National Standards on Auditing (NSA) by the National Council of Statutory Auditors' resolution No. 3430/52a/2019 of March 21, 2019, as amended.

Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Interim Condensed Financial Statements* section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants* (including *International Independence Standards*) (IESBA Code) adopted by the National Council of Statutory Auditors' resolution No. 3431/52a/2019 of March 25, 2019 together with the ethical requirements that are relevant to our audit of the financial statements in Poland. We have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Responsibilities of Management Board and Supervisory Board for the Interim Condensed Financial Statements*

The Management Board of the Company is responsible for the preparation, on the basis of properly maintained books of account, of these interim condensed financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Act, regulations issued on the basis thereof, adopted accounting principles (policy), other legal regulations, and the Company's articles of association. The Management Board of the Company is also responsible for such internal control as the Management Board determines is necessary to enable the preparation of interim condensed financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the interim condensed financial statements, the Management Board is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Board either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.

In accordance with the Accounting Act, the Management Board and the Supervisory Board of the Company are obliged to assure compliance of the interim condensed financial statements with the requirements of the Accounting Act. The Supervisory Board is responsible for overseeing the Company's financial reporting process.

### *Auditor's Responsibilities for the Audit of the Interim Condensed Financial Statements*

Our objectives are to obtain reasonable assurance about whether the interim condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these interim condensed financial statements.

The scope of the audit does not include assurance on the future viability of the Company or on the efficiency or effectiveness with which the Management Board has conducted or will conduct the affairs of the Company.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the interim condensed financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Board.
- Conclude on the appropriateness of the Management Board's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the interim condensed financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the interim condensed financial statements, including the disclosures, and whether the interim condensed financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Supervisory Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We communicate to the Supervisory Board a statement that we have complied with the relevant ethical requirements for independence and inform the Supervisory Board of all relationships and other matters that could reasonably be considered to pose a threat to our independence, and where applicable, we communicate the safeguards in place.

#### *Other Information including the Report on the Company's operations*

The other information comprises the Report on the Company's operations for the period from April 1, 2023 to September 30, 2023 and interim report for the period from April 1, 2023 to September 30, 2023 (excluding the interim condensed financial statements and our auditor's report).

#### *Responsibility of the Management Board and Supervisory Board*

The Management Board of the Company is responsible for the preparation of the Report on the Company's operations in accordance with the Accounting Act and other legal regulations. The Management Board and the Supervisory Board of the Company are obliged to assure compliance of the Report on the Company's operations with the requirements of the Accounting Act.

#### *Auditor's Responsibilities*

Our opinion on the interim condensed financial statements does not cover the Report on the Company's operations and we do not express any form of assurance conclusion thereon that results from NSAs. In connection with our audit of the interim condensed financial statements, our responsibility is to read the Report on the Company's operations and, in doing so, consider whether it is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the Report on the Company's operations, we are required to report that fact. We obtained the Company's management report and interim report before the date of this audit report. We have nothing to report in this regard
